# INVITATION

## PANEL DISCUSSION

### *What will fuel tomorrow's mobility?*

The session will address the issue of e-mobility in Europe in two intertwined panel discussions, one dedicated to the wider European strategic context and another devoted to projects and initiatives factually implementing e-mobility solutions.

**When?** Wednesday 19 June from 16h-17h30

**Where?** EU Sustainable Energy Week, Room Jenkins of the Charlemagne building.

**How to register?** Visit the EUSEW official site through [this page](#), click register, create an ECAS account and then select the EUSEW session: ***What will fuel tomorrow's mobility?***
